Best Happiness and Joy
in your life and business

GREETING

Dear Customers,

Thank you for your interest in our company. We are happy to introduce D&NEW Co., Ltd., a leading manufacturer of household furniture accessories. We specialize in designing and manufacturing a variety of household hardware accessories associated with kitchen furniture, general furniture, office furniture, and architectural interior design. We also continue to expand our presence and the scope of our product portfolio to include various accessories for smart portable devices. We retain advanced professional designing and manufacturing capabilities along with the extensive knowledge and experience of customer-oriented sales and marketing. For us, customer satisfaction is regarded as our top priority. We always give our best effort to improve the dignity of furniture culture and life style as well as customer satisfaction by producing smart quality products equipped with outstanding design, functionality and ease of use. We aim for all of our products to be perfectly aligned with customers' circulations at home and create interior designs with a delicate touch down to the smallest details. We are committed to sustaining our growth as a trusted partner of our customers and fulfilling our corporate social responsibilities all while putting in are lentless effort to develop and deliver new innovative products and to enhance competitiveness at home and abroad. Our mission is to bring happiness and joy to our customers in their everyday life and their business as well.

I would like to kindly ask for your continued interest and encouragement.
Thank you.

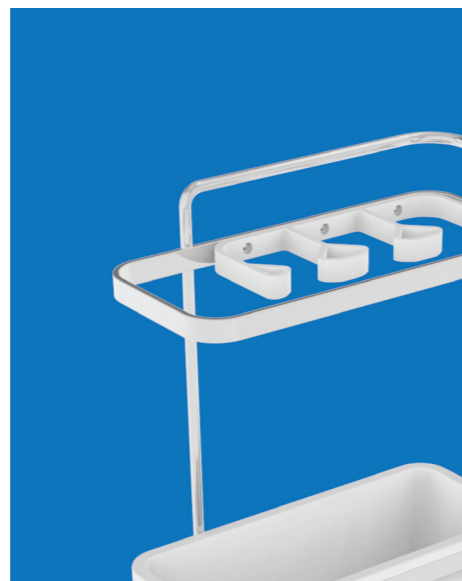

D&NEW Co., Ltd.
CEO, Park Pil-seo

NS ACC (3 items)

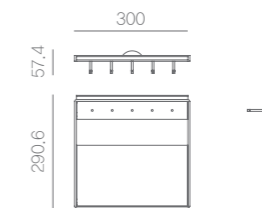

Applicable to lighting and profile. With the adoption of an aluminum panel along with the square type frame, they feature the stylish and clean impression of the metallic design as well as the solid and stable image of the metallic material, creating a chic and sophisticated atmosphere. Bright silver and dark brown are completed by the kitchen furniture colors, which enhances the overall elegance of your kitchen.

Double layer shelf / D1-ANS-2

3-Cup Spoon Container / D1-ANS-S3

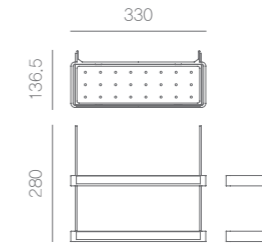

Versatile Hook / D1-ANS-D

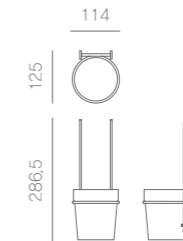

Clear ACC (4 items)

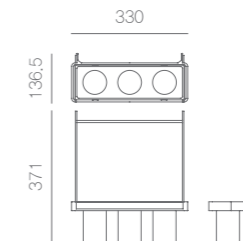

The product features a high-gloss finish with a sophisticated and modern image comparable to that of kitchen furniture. The clean and pure feeling expressed by the white color enhances consumer satisfaction while the minimalist design makes them a good match with a variety of kitchen options of your choice. Plastic and aluminum prevent the products from corrosion featuring a streamlined and slim design, the product has an integral structure with no fitting or joint marks. They are applicable to lighting and profile. Made of aluminum, they are rust-free with the ease and convenience of changing the finished color to harmonize with your kitchen.

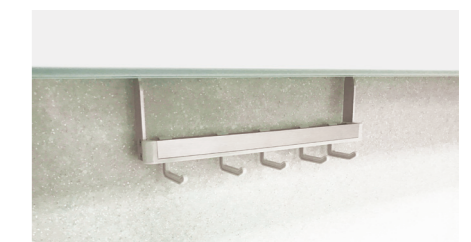

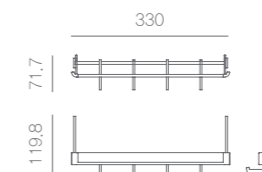

Double layer shelf / D1-ACL-2

1-Cup Spoon Container / D1-ACL-S1

Rich Dish Rack

This is an all-in-one product that combines a double layer shelf, dish rack, and spoon container and is ideal for small space kitchens, studio apartment or single-person households. Our product design has gone beyond the traditional square shape and has instead created a semicircular curve by bending the wire. Its softer appearance combined with a ceramic spoon container provides you with visual comfort.

Loony Kitchen Cloth Hanger

It is designed to be attached under the kitchen top shelf and comes with an up-down function to elevate dishcloths so that they are not fully visible in front view. You may also hang rubber gloves as well as dishcloths for more efficient utilization of kitchen space in a hygienic manner.

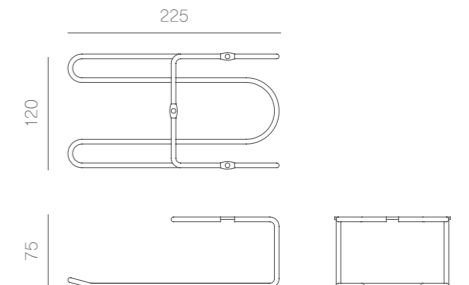

D2-GJLN

Pot Lid Rack

When you need to take a look at the progress of your cooking or open the lid, you usually place the lid on the top plate. This, however, is not only unsanitary but also visually unappealing. The cover rack comes into play for just these occasions and allows you to hygienically mount the kitchen utensil lids for pots. You can also hang dishcloths and rubber gloves when not cooking. This product is designed to maximize practical use and the price is reasonable.

D1-GJJN

Sweetie Spice Rack

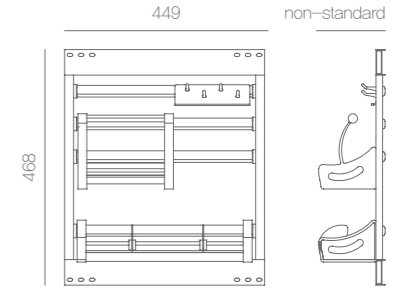

It comes with rails on both sides of the product, unlike conventional extractable storage racks, to be able to withstand excessive loads. The frames both on the left and right serve as the guide bars to prevent long spice jars from falling over. It is also equipped with an allpurpose hook on the front of the lower section to keep kitchen utensils. The products are compatible with the standard door sizes 150/200/250/300 and non-standard customized products will be available upon request.

Big Closet Storage Basket

This large basket with a modern design is ideal for storing large sized clothes in bulk. It features excellent usability at a competitive price and is widely adopted and used in auxiliary kitchens or in open racks of apartments. In particular, the rattan pattern on the front and the other pattern on the back can be replaced according to preference. Also, the stopper function when drawing the basket ensures user safety.

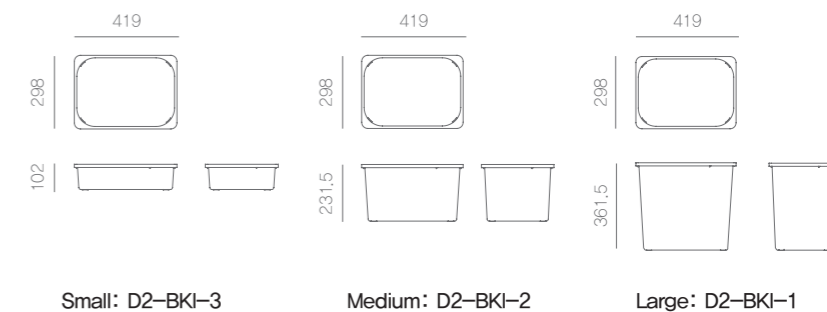

D1-GIBB

PVC Storage Box

This product is designed to enable the removal of baskets by installing rails on both sides of a storage cabinet. It is detachable as well. The stopper prevents the basket from being completely removed when opening horizontally to ensure safety. In addition, the basket products come in various colors and sizes, including large, medium, and small, which allow you to store various items in a hygienic and convenient manner.
